CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 662

Introduced by Assembly Member Bonilla

February 24, 2015

An act to add Section 19952.5 to the Health and Safety Code, relating to public accommodation.

LEGISLATIVE COUNSEL'S DIGEST

AB 662, as amended, Bonilla. Public accommodation: disabled adults: changing facilities.

The federal Americans with Disabilities Act of 1990 and the California Building Standards Code require that specified buildings, structures, and facilities be accessible to, and usable by, persons with disabilities. Existing law requires, among others, any person who owns or manages a place of public amusement and resort to provide seating or accommodations for physically disabled persons in a variety of locations within the facility, as specified. Existing law authorizes the district attorney, the city attorney, the Attorney General or, in certain instances, the Department of Rehabilitation acting through the Attorney General, to bring an action to enjoin a violation of prescribed requirements relating to access to buildings by disabled persons.

This bill would require a *person, private firm, organization, or corporation that owns or manages a commercial place of public amusement, as defined, constructed on or after January 1, 2020, or renovated on or after January 1, 2025*, to install and maintain at least one adult changing station, as defined, ~~by January 1, 2020~~, for a person with a physical disability, as specified. ~~The bill would extend the compliance period to January 1, 2025, for renovation projects that require permits or have estimated costs of \$10,000 or more.~~ The bill would require a facility to ensure that the entrance to each adult changing station has conspicuous signage indicating its location, and, if the facility has a central directory, ensure that the central directory indicates the location of the adult changing station.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
